CORRECTIONS

Please note that the highlighted pieces in the February Digest had some inaccuracies, most notably dates and descriptions:

- The Episcopal Mission Weekend description has been updated. Originally it went out with a description for a different weekend.
- The date for Mens Retreat has been updated as well.
- There is also a correction on the KSPS Annual drive, please note that the full shift from 3:15pm to 8:00pm on Mar 3rd will be the shift for each volunteer. There will first be some light training involved and it should be easy work even though it may look like a bit of time.

I hope this did not create a great inconvenience. Please contact me if you have any questions.

Blessings,

Mallory Davis

Administrative Coordinator
& Bishop's Executive Assistant

Episcopal Mission Weekend

We will stay at THE CAMPBELL FARM which is located on the Yakama Indian Reservation. This will be a mission event for the community in that area where we learn, share, and make a difference as we discover each other and partner in ministry for a weekend. Mission is at the very heart of who we are as Christians. It is through mission that we understand the way in which God calls each one of us individually and communally to live and act in this world together. This weekend is for youth grades 6-12. Arrival begins, Friday, 5:30 PM and departure at 1:00 PM, Sunday (\$75 per person). [**REGISTER NOW**](#)
